Odonata invites campers to Brigadoon Village

Brigadoon Children's Camp Society is proud to welcome campers from the Valley's own Camp Odonata to Brigadoon Village for Camp Kedooopse. Camp Odonata will join Camp Kedooopse to offer programming to children who have experienced the loss of a loved one.

"The collaboration of these two camps is a natural fit for Brigadoon," says Dave Graham, Executive Director of Brigadoon. "We are thrilled to offer more children the much needed services and support to help them cope with their loss and meet others who can relate."

Camp Kedooopse will offer a bereavement camp for 8-17 year olds, allowing campers to experience an overnight summer camp. This will enable them to surround themselves with the magic of Brigadoon Village for an entire week.

"Camp Odonata is very pleased to become part of Brigadoon's Camp Kedooopse," says Odonata's Director Gail Gordon. "This amalgamation will enable more children from across the Maritimes to attend bereavement camp."

Brigadoon's highly-qualified programming staff will lead campers through a variety of activities including: swimming at the waterfront, painting in the arts hall, paddling in the Big Canoe, or outdoor exploration through the environmental program.
